

# ***REAL ESTATE WEEKLY***

**October 21, 2009**

**Aragon Construction** announced that **Frederick F. Coffey** (Rick) has joined their executive team as senior vice president. Coffey comes to Aragon with a 20-year track record of success in the real estate and construction industries. Until recently, he was the director of construction for the Americas at Credit Suisse, managing a portfolio of over \$100 million in capital improvement projects annually.

He has overseen many successful projects for an impressive client roster and managed projects as diverse as a 40,000 s/f production studio for MTV, the 275,000 s/f headquarters for Pearson and a 1,000,000 s/f office tower in London's prestigious Canary Wharf for Lehman Brothers.
